## What Position Am I Running For?

---

The Students' Union is a **not-for-profit organization** governed by a **Board of Directors**. This governing body determines the overall strategic purpose of the Students' Union and provides broad organization oversight.

The Students' Union Board of Directors is made up of 12 undergraduate students, with 2 spots reserved for individuals studying on the Brantford campus.

As members of the Board, your responsibilities are to:

- Participate in training and put into practice the Policy Governance (Carver Model) system of corporate governance;
- **Prioritize attendance at all Board meetings;**
- Prepare for Board meetings by reading materials in advance in order to make informed decisions and positively contribute to respectful debate;
- Understand that while individual directors will bring their respective questions, opinions, and suggestions to debate, the Board makes a collective decision through majority vote;
- Avoid conflict of interest with respect to the Board's fiduciary responsibility;
- Participate in evaluations of operational performance and self-evaluation of the Board's performance based on established metrics.

As a candidate for the Board of Directors, you **DO NOT** need to develop a platform. Instead, you should focus on explaining to your fellow undergraduate students how you will carry out the responsibilities outlined above:

- Have you reviewed the Policy Governance resources provided?
- Will you prepare for, and attend meetings?
- What are the individual characteristics you will bring to the Board that will contribute to constructive teamwork and productive debate?

In order to be eligible for the **Brantford Special Election**, you must be a Laurier Brantford student willing to serve as a director of the Board immediately upon your election, and for the remainder of the 2022-2023 term.

Brantford students **are** eligible to seek election for both the Brantford Special Election and the 2023-2024 Board of Directors Election.
