What Position Am I Running For?

Serving on Laurier's Senate provides unique learning and leadership opportunities. Through your participation you will have an impact on strategic decision-making at the University. Students on Senate are full members, and are required to attend meetings, come prepared, participate, and respect confidentiality. If elected, you will be expected to provide a student perspective while making decisions in the best interest of the University. The [Wilfrid Laurier University Act](#) lays out the powers of the Senate

Senator

The Senate is the highest academic body of WLU and makes decisions on high-level academic issues, such as strategic plans, new program proposals, and curriculum changes. In total, there are seven (7) elected undergraduate positions on Senate with one (1) being dedicated to a student from the Brantford Campus. Senators who are undergraduate students are elected for a two (2) year term, and are expected to serve on at least one of the following committees:

- Academic Planning
- Governance
- Student Appeals
- Executive and Finance
- Teaching and Learning
- Honorary Degree

This is a partial Senate term (until June 30, 2024) starting immediately for an undergraduate student vacancy ending.
